Year 1 8th June 2020

Maths

White Rose Maths Summer Term week 8 for year 1- learn about counting in 2s, 5s and 10s.
whiterosemaths.com/homelearning/year-1/

Make sure you are completing work in the White Rose workbooks from school.

Put things into sets of 2 or 5 or 10 and count them.

See if you can count to 20 or 50 or 100 in steps of 2, 5 and 10 . Can you do it forwards and backwards?

Keep practising counting to 100.

Can you say what is 1 more or 1 less than any 2 digit number? Get your grown up to give you a 2 digit number and then write the number before and after. 37, **38**, 39 You could write the next 4 numbers after **23**, 24, 25, 25, 27 Can you say what is 10 more or 10 less than any 2 digit number?

Literacy

Carrying on with our topic of the Seaside. We are having a week of Non- Fiction writing looking at real Lighthouses around the world. This timetable might help you to organise your learning.

Monday	Could you write some questions we could use to find out about Lighthouses? Remember to use a question word. 
Tuesday	Find a famous Lighthouse and make a poster about it. Remember to write some labels on it.
Wednesday	Research your questions by asking people, using the internet and books This website shows you a map of all the lighthouses around the British Isles https://www.trinityhouse.co.uk/lighthouses-and-lightvessels
Thursday	Write some sentences about what you found out.
Friday	Make up a little quiz for your family about what you have found out about lighthouses.

Investigating and Creating

We are starting a new topic of Habitats looking at oceans and seas- Check out the learning about Ocean Habitats here <https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zsfkd2p> in the BBC Bitesize website

Read or listen to Commotion in the Ocean by Giles Andreae

www.youtube.com/watch?v=9pRhqZ8Jffs

It will tell you lots about what animals live under the sea.

You could also watch the Little Mermaid film- just so you can sing along to the song- Under the Sea!

Could you draw or paint any animals that live in the sea? Do you have any toy animals that live in the sea?

At school for Art and Design we are going to be designing and making Lighthouses.

If you have got any cardboard tubes or paper cups

you could try to make a Lighthouse too.

You can use an electric tea light to make the Lighthouse Light.

Carrying on our Geography and History project comparing Staveley with Cleethorpes. Can you find Cleethorpes on a map? What are the names of places near Cleethorpes?

Can you draw pictures of some of the things you can see in Cleethorpes? Has anyone ever been to Cleethorpes- send us a picture if you have one to info@speedwell.derbyshire.sch.uk

Do you know any songs about the sea and summer ? Lots of songs can be found on YouTube but your family might be able to teach you some.
