

## Speedwell Infant School

### Sports premium funding 2020/2021, including evaluation of impact

Speedwell Infant School receives funding based on the number of Y1 and Y2 children in school. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport offered.

The five key indicators that schools should expect to see improvement across are:

1. The engagement of all pupils in regular physical activity
2. The profile of PE and sport is raised across the school
3. Increased confidence, knowledge and skill of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Speedwell Infant School received the following funding for the 2020/21 academic year: £16,810

Desired outcome	Link to key indicator	Action	Expenditure	Expected Impact	Evaluation of impact and sustainability
Ensure all pupils stay active at lunch time and engage in a variety of physical activity.	1. 2.	Support for MDSs to continue with Active 15 activities at lunch times in their class bubbles, focusing on activities that maintain social distance.	£200 supply costs (PE Lead to liaise with MDS) £3,250 (additional MDS costs)	Children are physically active during the lunch break. Children develop movement and games skills and improve coordination and movement.	MDSs ensured children remained physically active at lunch times, even though social distancing measures were in place. MDSs confident to continue to deliver Active

		Additional MDS employed to lead lunch time sporting activity			15 activities under the guidance of the PE Lead.
Further develop staff knowledge and skill with the delivery of the REAL PE programme.	2. 3.	PE Lead provides support and training to teaching assistants and new teacher on the delivery of the REAL PE programme	£500 supply costs (PE Lead and TAs)	More staff are effectively delivering the REAL PE programme as part of the school's PE offer.	Teaching assistants and new teacher have been able to deliver the REAL PE programme within their class bubbles. More staff now able to deliver REAL PE confidently to ensure the programme continues moving forward.
Introduce yoga activities as a new approach to being physically active	1. 4.	Purchase access to a series of yoga videos which can be delivered in school by staff supported by the videos	£150 yoga video package	Children introduced to yoga as a way of being physically active. Staff develop confidence to lead short regular yoga sessions with children.	Children and staff confidence in yoga activities developed and opportunities to use activities embedded within daily activities.
Access a range of PE activity support through the Chesterfield Sports Partnership (SHAPE):	1. 2. 3. 4.	Audit completed with PE Lead and priorities identified. All Reception children accessed 4 x balance bike sessions	£1,644 SHAPE costs £400 supply costs (PE Lead)	School clear about current PE offer and next steps Reception children confident using balance	Key actions for next steps in PE development identified and planned into next academic year. Reception children confidently using balance

<ul style="list-style-type: none"> <li>• Audit with PE Lead to identify next steps for developing PE across school</li> <li>• Balance Bike sessions for Reception children</li> <li>• Delivery of 6 week after school club programme to support and train staff to lead themselves</li> <li>• Support for new PE Lead to establish self in role</li> </ul>		<p>6 week Dance after school club delivered</p> <p>TAs continued with development of Dance after school club</p> <p>6 week ball skills after school club delivered</p> <p>TAs to establish ball skills after school club in Autumn 2021</p> <p>New PE Lead accessed bespoke 1:1 support from sports partnership to gain confidence in role.</p>	<p>additional time)</p> <p>£600 supply costs (TA additional time contribution)</p> <p>£50 resources for after school clubs</p>	<p>bikes, thus encouraging riding to school</p> <p>2 x regular after school clubs established</p> <p>New PE Lead established in role</p>	<p>bikes and thus more coming to school by bike. Funding sourced for balance bikes and trikes to build on balance bike sessions, and develop skills within normal school provision. Staff more confident to support this. 2 x after school clubs established to be able to run regularly throughout the year by TAs who are now trained.</p>

New playground equipment fitted which supports physical activity, including developing core strength and coordination	1.	Playground equipment identified which supports development of core strength and coordination, purchased and installed.	£4,000 (total cost = £11,039, £7,039 carried forward from last year to part fund)	Children are physically active at playtimes and lunch times. Children have opportunities to develop core strength and coordination skills	Children are actively using the equipment on a daily basis engaging in a range of core strength and coordination developing activities. With regular maintenance this equipment will be available for many years.
Children experience new outdoor physical activity experiences	4.	Partly fund trip to Lea Green outdoor education centre to enable children to access and experience outdoor physical activity opportunities they have not experienced before and develop their interest in wider outdoor physical activity experiences	£2,000	Children experience new outdoor physical activity experiences enabling them to see new opportunities to be active outdoors	Children were actively involved in the new outdoor activity experiences and learnt new skills to support them to remain more physically active outdoors. This has been particularly important to build confidence and re-engage children in outdoor physical activity following lockdowns.

Improve the quality of PE sessions through enhanced resources	1. 2. 4.	Purchase additional resources to support the delivery of the REAL PE programme and other PE activities across school	£500	Children have high quality resources available to enable them to effectively participate in sporting activity	Skills development has improved through the availability of higher quality resources. These will be available for use in future years.
Total Spend			£13,294		

Due to Covid 19 restrictions it has not been possible to provide the full range of experiences, particularly the Little Leaders programme due to children needing to remain in class bubbles and participation in competitive sporting events with other schools. The £3,516 carried forward will be prioritised for such activities in the next academic year should restrictions be lifted.
