

P.E. - For safety reasons please ensure children remember their PE kit and that any earrings are removed for PE.

Games - We will be practicing ball skills including throwing/catching/defence and attack games.

Gymnastics - We will be travelling in different ways on our feet, balancing and sequencing movements.

Dance- We will be copying and creating sequences to represent moods and feelings.

Music - We will be singing lots of songs about dinosaurs and toys in different ways to express different moods. We will listen to music and discuss if we like them. We will be performing in a Christmas show.

Art - This half term we will be focussing on painting skills including using different thicknesses of paint brushes. We will observe works of art showing fireworks, dinosaurs and toys and discuss the techniques used and the primary and secondary colours. We will then try to produce our own paintings.

R.E. - We will discuss festivals of Divali and Christmas.

P.S.H.E. - We will be discussing how to keep safe. This includes medicine, keeping healthy, road safety and stranger danger as well as e-safety.

Learning at home

This half term, we would like you to look out for fireworks in the evening - can you draw pictures to interpret what you saw or make a short piece of music. Use books or the internet to find out more about dinosaurs. Look at your toys. Have you got any old ones or favourite ones from when you were a baby? Talk to your grown ups - what was their favourite toy and why?
